NOTICE 3 Instituto Hidrográfico de la Marina (IHM) and the UK Hydrographic Office (UKHO) make no warranties or representations, or implied, with respect to this product. The Instituto Hidrográfico de la Marina (IHM) and the UKHO have not verified the information within this product or quality assured it.

The use of this product for the planning and execution of passages will not meet the requirements of SOLAS

This applies only to Spanish harbour chartlets/inserts/plans prepared from S57 vector data (if they are included) supplied by IHM: “THIS PRODUCT IS NOT TO BE USED FOR NAVIGATION”

### NOTICE 4

This product consists ONLY OF A LICENSE to use the software/data you install/use in the manner specified below, and this license is **FOR THE ORIGINAL (NAMED) PURCHASER ONLY. The license is NOT transferrable to 3rd parties.** The software and data (but not any free or open source software if provided) remain the property of VisitMyHarbour and must be returned if requested.

### 2. Allowable purposes:

Chart Images: As an aid to navigation; training; simulation; and planning purposes. Due to the inherent unreliability of non-purpose-built computer equipment in a small craft environment, These electronic charts **MUST NOT BE USED AS A STAND ALONE NAVIGATION SYSTEM.** This product must always be used in conjunction with with official and updated paper charts and publications.

Programs that can use these charts: Your terms and conditions for using these programs should be studied when you install them. Disclaimer: VisitMyHarbour have no control of these 3rd party programs or their functionality. VisitMyHarbour are only responsible for the charts and have satisfactorily tested them within qtVlm.

### Chart Data:

Expiry and Replacement: You are licensed to use this package for the allowable purposes for one

year from the date that you purchased it. Any installations must be done within 12 months of purchase. Charts do not stop working, but must not be used in connection with navigation after 1 year of purchase. You are responsible for consulting notices to mariners and any noting any updating required.

Updated Chart packages are released from time to time (at a minimum annually, see website for details). Purchasers of this package may be offered a low cost initial chart update within the first year of purchase.

Installation: You are licensed to install these charts 1 computer/device, within the first year of purchase. 2 unlock codes are provided, one for working, and one backup. **Installations are not transferable between devices.**

**You will lose your chart installation in the following circumstances:**

**1: You do a "Factory Reset" on a mobile device**

**2: You change the operating system on any compatible computer/device**

**3: You break, lose, damage your computer/device**

Use: It is forbidden to use this product on more than one device at any one time with the following (useful) exception: You are allowed to install a remote monitor/navigation station, for example in the cockpit. PROVIDING THAT: it cannot work independently of the host machine and is within 300 feet.

Printing: You may be allowed to print A4 chartlets, (by taking a screen-shot on Android), but these are NOT FOR NAVIGATION and for your own personal use only.

Intellectual Property Rights:

All Intellectual Property Rights contained in this product are owned by or licensed to [www.visitmyharbour.com](http://www.visitmyharbour.com). No Intellectual Property Right contained in the product is intended to, and shall not be deemed to, transfer to any person who uses the it. All chart data used in these "Cross Platform Charts for qtVlm" are Crown Copyright 2023, or copyright SHOM 2022 You are forbidden to copy, pass on, or distribute (in electronic or paper form) any Chart images or data. You are forbidden to attempt to decompile or otherwise interfere with any encryption systems, programs, or content included in this product.
